About RISE

RISE is a non-profit focused on community-based, strengths-driven services to children, families, and young adults.

RISE formed in 2017 from a merger between two local non-profits, Community Partnerships and Center for Families. Together the organizations have more than 60 years of experience providing services in our community, and serve more than 6,800 individuals annually.

Our Commitments

- We will be a good partner and bring a community perspective.
- We will advocate for individuals, children, and families.
- We will listen openly and engage actively.
- We will encourage participants to determine their direction.
- We will work from people’s strengths.
- We will bring solutions into the discussion.
- We will manage resources efficiently.

Parent-Child Home Program

An evidence-based early literacy home visiting program for children ages 2-4.

The Parent-Child Home Program is funded by United Way of Dane County and private and individual donors.

The Parent-Child Home Program (PCHP) is designed to prepare children for school. Families are matched with an Early Learning Specialist who supports parents and caregivers in their roles as their child’s first and most important teacher.

What to expect from the Parent-Child Home Program

Families enrolled in the Parent-Child Home Program (PCHP) can expect to meet with an Early Learning Specialist twice per week for a 2 year period. Visits are 30 minutes each, take place in the home, and are scheduled at a time that is convenient for the family.

Each week families receive a high quality educational book or toy that they keep to help support learning.

PCHP can assist caregivers with their needs for housing, employment, education, and other family needs.

Parent-Child Home Program is a free program.

Eligibility Criteria

- Children must be 2 years old on or before September 1st
- Families must live in Dane County
- Parent education and income restrictions may apply
- (Participation is not dependent on citizenship status or languages spoken)
