# ParentChild+

*The ParentChild+ program is designed to prepare children for school. Families are matched with an Early Learning Specialist who supports parents and caregivers in their roles as their child's first and most important teacher.*

*"Through the program my child has learned how to play and share, letters, numbers and colors, and routines."  
- ParentChild+ Parent*

The ParentChild+ Program at RISE is one of three program sites in Wisconsin for the national ParentChild+ program.

The ParentChild+ model strives for every child to enter school ready to succeed because every parent has the knowledge and resources to build school readiness where it starts: **the home.**

## What to expect from the ParentChild+ Program

Families enrolled in the ParentChild+ can expect to meet with an Early Learning Specialist twice per week for a 2 year period.

Visits are 30 minutes each, take place in the home, and are scheduled at a time that is convenient for the family.

Each week families receive a high quality educational book or toy that they keep to help support learning.

ParentChild+ can assist caregivers with their needs for housing, employment, education, and other family needs.

ParentChild+ is a **free** program.

*"Our family is very busy. The program has helped me set aside time each week for our child that we normally would not have been able to do without the program." - ParentChild+ Parent*

## Eligibility Criteria

- Children must be 2 years old on or before September 1st
- Families must live in Dane County
