

*Bilingual (Spanish)
Family Support Specialist
Early Childhood Initiative
Position Description*

RISE is an emerging leader in coordinated care and mental health service delivery in Dane County and the Greater Madison area. We embrace a strengths-based approach in partnering with others to address the mental health and wellness needs of our community. We value collaboration, learning, and growth. We encourage personal and professional growth in all positions in our agency and seek new talent that will continue to enrich and diversify our workplace perspective and our connection to the community.

Early Childhood Initiative (ECI) is a voluntary home visiting program in Madison/Dane County, WI for pregnant caregivers and families with children ages 0-4 years old. ECI offers strengths-based, individualized, and comprehensive support for parents and caregivers. ECI knows that caregivers are the experts on their families and supports them in working towards their goals for parenting, health and wellness, relationships, school and work, and benefits and resource assistance.

The Bilingual Family Support Specialist (FSS) is responsible for developing strong relationships with enrolled families in order to serve as a support and resource person and to provide an array of therapeutic and services. The FSS is responsible for planning, developing, and implementing family support services that strengthen family relationships, enhance parent and child health and mental health, and broaden community supports for enrolled families. The FSS serves as a liaison between the family and the ECI team and other community agencies and initially assumes a lead role in social service coordination until the family is able to successfully lead this charge.

Position Responsibilities:

Support Services, Intervention, and Direct Service

1. Meet with families/participants in their homes or preferred community-based setting
2. Engage referred expectant caregivers and families with a child aged 0-2 years of age.
3. Partner with families to establish a realistic plan of action in response to assessed needs and stated goals.
4. Assist the individuals and families with identifying and establishing natural and professional supports in the community. Advocates for families within the community to address barriers which may interfere with family growth and access to services.
5. Provide supportive intervention and support services that are trauma-informed, culturally relevant, and non-stigmatizing. Direct service to individuals, families, and groups, with the appropriate level of education, training and supervision may include: parenting support and education, crisis intervention, intervention related to mental health/trauma/AoDA, facilitation of groups, parent-child relational support, infant mental health services, and Family Team Meeting facilitation.

6. Maintain contact with individuals and families to a degree sufficient to monitor and assist progress, typically at least one face to face contact per week.
7. Maintain a flexible schedule to accommodate program and participant needs that may include evenings.
8. Outreach (community) may be asked to attend community events as a form of outreach and participant recruitment.

Administration

1. Complete and submit billing for all services.
2. Collect all necessary data for program evaluation as assigned.
3. Complete all participant-related and program-related paperwork according to established guidelines for quality and timeliness
4. Follow guidelines for agency-specific paperwork, including staff-related items (e.g. time logs, EIO, expense reports, earned time requests, etc.) and participant-related items (e.g. wraparound requests, card/petty cash logs, etc.)

Program Development & Implementation

1. Consult regularly with supervisor and colleagues regarding participant strengths, needs and progress.
2. Continually develop therapeutic skills through weekly therapeutic/reflective supervision, reflective groups, training, and independent study.
3. Attend and actively participate in Program and agency meetings.
4. Contribute to growth, development, and enrichment of program and agency.
5. Plan, attend and participate in in-service trainings, conferences and outside training programs as authorized and directed.
6. Provide participant related back-up and coverage services to colleagues as needed.
7. Assist in the development of program special events which provide opportunities for parent and family connection and growth.

Required Qualifications:

- High school diploma or GED
- Bilingual in Spanish (in addition to English) as determined by ALTA test and within RISE'S acceptable range
- Demonstrated experience working with individuals or families on matters related to parent education and support, connecting to community resources, care management and/or advocacy, and health and mental health
- Ability to drive self and others via vehicle
- Daily access to a reliable vehicle, with valid drivers' license and insurance
- Demonstrated written and verbal communication skills
- Experience working with others from diverse cultural backgrounds
- Commitment to strength-based, recovery-focused and trauma informed programming

- Commitment to cultural humility
- Ability and willingness to meet with participants in their homes or other community locations
- Demonstrated flexibility, initiative, and creativity in community and participant engagement
- Proficient computer skills, specifically in current versions of Microsoft Word, Excel, Outlook and Power Point; and willingness to learn new skills as needed or required
- Ability to pay attention to detail and a commitment to quality and timely completion of duties
- Demonstrated ability to work as a member of a team
- Ability to maintain a schedule that accommodates program and participant needs

HIPAA Regulations:

As a required part of employment with RISE, the employee must preserve all rights and protections under the Health Information Portability and Accountability Act (HIPAA) of 1996 for the participant population served by this agency; it is the obligation of the employee to ensure that private health information is protected and that disclosures are permitted only with appropriate authorization. The employee is required to comply with all Federal and State regulations as part of the organization's HIPAA training which describes the policies and procedures for the agency.
