ParentChild+

ParentChild+ is designed to prepare children for school. Families are matched with an Early Learning Specialist who supports parents and caregivers in their roles as their child's first and most important teacher.

"My daughter started the program not talking, and now we can't stop her!"

- ParentChild+ Parent

The ParentChild+ model strives for every child to enter school ready to succeed because every parent has the knowledge and resources to build school readiness where it starts: **the home.**

ParentChild+ reaches families around the globe. RISE is the only local partner agency offering the program in Wisconsin.

What to expect from ParentChild+

Families enrolled in ParentChild+ can expect to meet with an Early Learning Specialist twice per week.

Visits are 30 minutes each, take place in the home, and are scheduled at a time that is convenient for the family.

Families receive free high quality educational books and toys that they keep to help support learning.

ParentChild+ can assist caregivers with their needs for housing, employment, education, and other family needs.

ParentChild+ is a **free** program.

"Our family is very busy. The program has helped me set aside time each week for our child that we normally would not have been able to do without the program."

- ParentChild+ Parent
